## A Special Nine Battleground Swing State Project of Stand With Trump for Re-Election

*“Thank you to everyone for your thoughts and prayers yesterday, as it was God alone who prevented the unthinkable from happening. We will FEAR NOT, but instead remain resilient in our Faith and Defiant in the face of Wickedness. In this moment, it is more important than ever that we stand United, and show our True Character as Americans, remaining Strong and Determined, and not allowing Evil to Win. Dear xxxnamexxxxxxx,

**“Fight! Fight! Fight!”** That’s what **President Trump** said as he stood up after being shot by a would-be assassin at a campaign rally in Pennsylvania. Now, it is time for us to answer his call!

Please, xxnamexx, with the Democrats uniting around **Kamala Harris** and just 90 days to go until Election Day, I need you and every other Stand With Trump supporter I am contacting today to immediately:

- 1) Complete the enclosed **“Final 90 Days Road to Trump Victory Survey”**; and
- 2) Rush your completed survey back with an emergency donation of \$HPC, \$HPCX2 or more to **Stand With Trump for Re-Election**.

I pray you won’t delay your response. Because your gift of \$HPC or more is urgently needed **TODAY** to help us raise the funds we need to:

- **Distribute** pro-Trump, anti-Harris/Democrat promotional materials that can include **Videos, Anti-Democrat Issue Cards, Fact Sheets, Bumper Stickers, Videos, Voter Guides and Newsletters**.
- **Reach** conservatives (**especially in our targeted states**) to ensure they are registered, explain how President Trump can win with their help and motivate them to vote and vote early via intensive campaigns which can include **TV and Radio ads, Phone Alerts, Targeted Voter Mail, YouTube, Mass Emails, Text Messages, Facebook, X and Instagram**.
- **Distribute** pro-Trump, anti-Democrat promotional materials that can include **Videos, Anti-Democrat Issue Cards, Fact Sheets, Bumper Stickers, Videos, Voter Guides and Newsletters**.
- **Provide** a go-to pro-Trump, anti-Harris/Democrat website where voters can go for election-related information, sample Letters to the Editor, issue talking points and campaign tools.
- **Launch targeted campaigns** to identify seniors, blacks, Hispanics and suburban moms who can be

persuaded to vote their interests by abandoning the Democrat Party and voting for Trump.

We will be deploying these winning tactics in key competitive areas across the nation through August and the start of the fall campaign... most especially in the **nine key Battleground Swing States** that will decide both the Presidential and Congressional elections.

These states are **Arizona, Nevada, Michigan, Georgia, Pennsylvania, New Hampshire, North Carolina, Virginia and Wisconsin**. We win those states, we take back our country ... and we have a plan that focuses like a laser beam on doing just that. Our goal is to win those states and **WIN BIG**. Too big for the Democrats to rig ... and I'll explain why and how in a moment.

**But first I need you to complete your "Final 90 Days Road to Trump Victory Survey."** It is designed to help us fine-tune this plan and ensure we're providing citizens like you with the election information, updates and materials you need to help make an impact where you live.

It is also designed to help give us a clear picture of what is happening politically in your community.

Does the apparent replacement of Joe Biden with Kamala Harris make you more or less confident of a Trump/Vance victory in November? Do you fear Democrat "lawfare" will be increasingly used to punish and silence conservatives, Christians, parents and other political opponents of these socialists?

What are people in your community saying about boys ruining girls' sports, the extremism of the Democrats, the cost of living, the culture wars, the violence in our streets, the invasion on our border, Israel, Ukraine and the threat of World War III?

Your Survey also asks key strategic questions about what needs to be done to put President Trump back in the White House. For example, **which issues should we stress the most when warning voters about the permanent damage** the Democrat socialists will do if they hold on to the presidency in November?

And perhaps most important of all, **what new surprises do you fear the Democrats and their propaganda arm in the news media will throw at us** over these last 90 days?

That last question brings me back to why we must work not just to win but to **WIN BIG**.

**In short, we cannot hope to win this election by a narrow margin!**

To the contrary, because of built-in Democrat advantages (with Mail-In Ballots, for example) we start behind in many of the key states like Pennsylvania and Wisconsin that Trump must win to be re-elected.

So please, **DON'T BELIEVE POLLS** that say Trump will win this or that state because he is 1%, 2% or 3% ahead. That simply will not be enough!

Making matters worse, the Democrats and their media cheerleaders are sure to accelerate efforts to do whatever it takes to hold on to the Presidency and keep President Trump out of office.

**They will lie** about President Trump and his agenda. **They will cheat** by pushing last-minute changes to election laws that benefits their candidates. **They will smear** Trump supporters like you and me as "*right wing extremists*." And **they will try to rig** the elections by unethical policy changes (like student loan forgiveness and draining the Strategic Oil Reserve to keep gas prices low) to appeal to certain voting blocs.

So no, a 1%, 2% or 3% margin of victory will not be enough. **We need to build a margin of victory that is at least 5%, 6% or even 7% in the nine key swing states** we're targeting to put President Trump back in the White House and give him a Congress he can work with.

(Next page, please)

And that's just to counter what we **KNOW** the Democrats are going to do. We must also be on guard for **any new surprises the Democrats may throw at us and/or unexpected events** no one saw coming.

For example, few back in June would have predicted that:

- A corrupt New York City Judge, Jury and Prosecutor would convict President Trump of so-called "*criminal charges*" that no one even understands.
- Joe Biden's disastrous debate performance would spark an internal battle within the Democrat Party to remove him from the ticket and replace him with Kamala Harris.
- A federal judge would throw out Jack Smith's Florida political prosecution of President Trump.
- President Trump would pick JD Vance to be his Vice-Presidential running mate.
- A deranged loner in Butler, Pennsylvania would come within an inch of **assassinating President Trump**.

So please believe me when I say we fail to prepare for ANYTHING and EVERYTHING that may happen over these last two and half months **AT OUR OWN PERIL!**

That's why we've launched this *Final 90-Day Battleplan to Re-Elect President Trump ... and why we need your continued support*.

Always remember, it was not the GOP leadership that first elected President Trump back in 2016.

It was you and me! It was us! Now it is up to us to re-elect the President ... which brings me back to your emergency re-elect Trump donation to The Conservative Caucus (TCC).

As you and other key supporters are well aware, for decades now, we have been helping lead the charge in Washington for our pro-liberty cause and for America.

*It was TCC* that helped President Reagan win the Cold War, helped repeal the unfair Catastrophic Coverage Tax, helped defeat "*HillaryCare*" and was a constant thorn in Obama's side.

Since 2017 *it was TCC* leading the charge to *Stand With Trump Against Impeachment and the Coup* and later, with the help of patriots like you, almost re-elect President Trump in 2020.

Since then, it is we here at TCC who have been "*Standing Against the Political Prosecutions of President Trump*" and the Obama/Biden Deep State's scheme to keep him off the campaign trail.

**But now with just 90-some days left until Election Day, it will be TCC** leading the charge to unite conservatives like you across the country for the re-election of President Trump in November. But it will take both **your continued political and financial support!**

**By political support**, I mean this: We need conservatives like you to match the zeal of your anti-Trump neighbors and relatives and fight just as hard for the Trump/Vance ticket in your in your own communities.

Specifically, we need you and millions of other conservative seniors across the country to:

- + **Show your friends this letter and other campaign materials you will receive from TCC,**
- + **Knock** on doors,
- + **Write** pro-Trump letters to the editor,
- + **Call into** local radio talk shows,
- + **Display** pro-Trump yard signs and bumper stickers, and
- + **Voice support** for President Trump on **social media sites** and **express strong**

(Over, please)

**opposition** to the dangerous and radical agenda of the Democrat socialists.

We also need you to make sure you and your conservative friends are registered to vote in your area, know how to vote early, know where to vote on Election Day and, most importantly of all, **VOTE!**

**By financial support**, I mean this: We need your ongoing financial help to re-elect President Trump, expose the evil behind the Deep State's political prosecutions of conservatives and advance the conservative policies that will rescue America from the socialists.

Specifically, **a special gift of \$HPC or more from you today** will help us deploy the strategy I detailed at the start of this letter in our targeted states and across the country.

As you can see from my list, it includes the distribution of **Mail-In Ballot Applications** as part of a major early voting push, pro-Trump, anti-Harris/Democrat **Videos, Issue Cards, Fact Sheets, Bumper Stickers, Voter Guides, Newsletters**, sample **Letters to the Editor** and other crucial election materials.

We will use many communication and outreach tools to make this distribution effective including **TV and Radio ads, Phone Alerts, Targeted Voter Mail, YouTube, Mass Emails, Facebook, X, Text Messages** and **other social media internet platforms**.

But xxnamexx, none of this will be possible without the help of supporters like you. So please ...

- 1) **Complete** our "*Final 90 Days Road to Trump Victory Survey*"; and
- 2) **Rush back** this vital Trump re-election document along with a **much-needed and special donation** of \$HPC or \$HPCX2 to **Stand With Trump for Re-Election**.

**If you can send a larger gift of \$HPCX3, \$HPCX4 or more**, that would be a huge boost today!

But please, **at least send back a gift of \$HPC today**. Again, the very survival of our country as we know it is at stake between now and November.

That may sound overly dramatic, but if anything, it understates the danger we face. If President Trump is not returned to the White House, **America will be lost forever**.

So again xxnamx, please, respond **TODAY!**

Sincerely,

Peter J. Thomas, Chairman  
The Conservative Caucus (TCC)

P.S. xxxnamexxx, as we have already seen during this extraordinary election year, there'll be more surprises between now and November. **Don't let the media or sudden changes in events take your eye off the ball!** In the meantime, again, please be sure to complete our "*Final 90 Days Road to Trump Victory Survey*" and return it to me today along with **a much-needed and special re-elect Trump donation** of \$HPC, \$HPCX2 or more to Stand With Trump For Re-Election today!

P.P.S. Also, please, **PRAY** and **PRAY** often for President Trump. Through two impeachments, countless political prosecutions to bankrupt and imprison him. Now, **he has literally dodged a bullet aimed at him by a would-be assassin**. No other politician in American history could survive such an assault. But he has! He is still standing up for us! And now, more than ever, **we need to stand with him!**

**This program by TCC is an Independent Expenditure, and therefore unlimited and corporate contributions are welcome. Donating is not a contribution to the campaign committee of Donald J. Trump, and does not limit you in contributing to their official campaign committees.**
